The aim of the Student Union is to represent the entire student body. The committee works closely with the Student Activities Coordinator to promote and improve your quality of life. Some of the responsibilities of the Student Union are to organize extracurricular activities and speak on behalf of all students with the management of the college. Remember that you are encouraged to suggest activities that would interest you and your fellow students to the Student Union. Get involved and enjoy the experience!

## **Student Clubs**

Realizing the fact that learning takes place both inside classrooms and outside classrooms, the student affairs is assigned to create, develop, and maintain out-of-classroom learning activities in different aspects that fit students' individual differences, talents, and interests. To promote campus life, the college encourages students to participate in, and manage various kinds of extracurricular activities. Depending on different interests, students voluntarily choose to prepare themselves for later professional life through their involvement in the student clubs.

**The categories of clubs under the student affairs include:**

- Culinary Art Club
- Hotel Club
- Tourism Club
- Spa Club
- I-Club
- Natural Resources and Environment Conversation Club
- Thai Art Club
- Music Club
- Photo Club
- Sport and Recreation Club
- Cheer Club
- Student Fund Club
- Martial Art Club
- Mice and Event Club

\*we always welcome creative ideas and encourage our students to set up new clubs and activities.

**Social Activities**

Events and excursions are scheduled regularly to help enhance your life outside the campus. This gives you the chance to develop your professional knowledge and discover the country you are living in. Some of these include for example, city excursions in and out of Thailand as well as sport trips.

**Emergency First Aids Service**
